  - (iii) LPA 388-10 (CA 2413-10 in SCA 2375-09) - Mr. Dolaradan Isharani V/s. Gujarat Public Service Commission and others.

3. On completion of the re-checking of marks, wherever applied for, the names of the candidates were recommended for appointment to the General Administration Department on 29-07-2010 by the Gujarat Public Service Commission.

4. In the meanwhile, (i.e. before the result was sent to G.A.D. on 29-07-2010), the Commission had received Legal Notice Dated: 5<sup>th</sup> July, 2010 from Tanna Associates, Advocates, Gujarat High Court, Ahmedabad, on 8<sup>th</sup> July, 2010, under the instructions of their clients Shri Vipul Thakkar and Others, *inter-alia* suggesting to follow the directions laid down by the Hon'ble Supreme Court in the following judgements:

- (i) Rajesh Kumar Daria V/s. Rajasthan Public Service Commission, - Civil Appeal Nos. 3132 of 2007, 3773 of 2007 decided on 18-07-2007.
- (ii) Public Service Commission, Uttaranchal V/s. Mamta Bist & Others, - Civil Appeal Nos. 5987 of 2007, with Civil Appeal No.5982 of 2007 decided on 03-06-2010.
- (iii) Union of India V/s. Ramesh Ram and Others - Civil Appeal Nos. 4310, 4311 of 2010 [arising out of SLP(C) Nos.13571-72 of 2008] decided on 07-05-2010.

5. In paragraph No.-5 of the judgement delivered in the case of Rajesh Kumar Daria V/s. Rajasthan Public Service Commission, (Dated:18-07-2007), the Hon'ble Supreme Court has laid down the following principles:

*"Before Examining whether the reservation provision relating to Women, had been correctly applied, it will be advantageous to refer to the nature of horizontal reservation and the manner of its application. In Indra Sawhney V/s. Union of India (1992 SUPP.(3)SCC 217), the principle of horizontal reservation was explained thus (Pr.812):*

*'all reservations are not of the same nature. There are two types of reservation, which may, for the sake of convenience, be referred to as "vertical reservations" and "horizontal reservation". The reservations in favour of Scheduled Castes, Scheduled Tribes and Other Backward Classes (under Article:16(4)) may be called vertical reservations whereas reservations in favour of physically handicapped (under Clauses (1) of Article 16) can be referred to as horizontal reservations. Horizontal reservations cut across the vertical reservations - what is called interlocking reservations. To be more precise, suppose 3% of the vacancies are reserved in favour of physically handicapped persons; this would be a reservation relatable to clause (1) of Article 16. The persons selected against the quota will be placed in that quota by making necessary adjustments; similarly, if he belongs to open competition (OC) category, he will be placed in that category by making necessary adjustments. Even after providing for these horizontal reservations, the percentage of reservations in favour of backward class of citizens remains - and should remain - the same.'*

*A special provision for women made under Article 15(3), in respect of employment, is a special reservation as contrasted from the social reservation under Article 16(4). The method of implementing special reservation, which is a horizontal reservation, cutting across vertical reservation, was explained by this Court in Anil Kumar Gupta V/s. State of U.P. (1995(5)SCC 173) thus:*

*"The proper and correct course is to first fill up the Open Competition quota (50%) on the basis of merit; then fill up each of the social reservation quotas, i.e. S.C., S.T. and B.C.; the third step would be to find out how many candidates belonging to special reservations have been selected on the above basis. If the quota fixed for horizontal reservations is already satisfied - in case it is an overall horizontal reservation - no further question arises. But if it is not so satisfied, the requisite number of special reservation candidates shall have to be taken and adjusted/accommodated against their respective social reservation categories by deleting the corresponding number of candidates therefrom. (If, however, it is a case of compartmentalized horizontal reservation, then the process of verification and adjustment/accommodation as stated above should be applied separately to each of the vertical reservations. In such a case, the reservation of 15% in favour of special categories, overall, may be satisfied or may not be satisfied.) [Emphasis supplied]"*

6. In Paragraph No.-13 of the judgement dated:03-06-2010 delivered in the case of Public Service Commission, Uttaranchal V/s. Mamta Bist and Others, the Hon'ble Supreme Court has laid down the following principles:

*"13. The view taken by the High Court on application of horizontal reservation is contrary to the law laid down by this Court in Rajesh Kumar Daria V/s. Rajasthan Public Service Commission and Ors. AIR 2007 SC 3127, Wherein dealing with a similar issue this Court held as under :*

*"9. The second relates to the difference between the nature of vertical reservation and horizontal reservation. Social reservations in favour of SC, ST and OBC under Article 16(4) are "vertical reservations". Special reservations in favour of physically handicapped, women, etc., under Articles 16(1) of 15(3) are "horizontal reservations". Where a vertical reservation is made in favour of a Backward Class under Article 16(4), the candidates belonging to such Backward Class, may compete for non-reserved posts and if they are appointed to the non-reserved posts on their own merit, their number will not be counted against the quota reserved for respective Backward Class. Therefore, if the number of SC candidates, who by their own merit, get selected to open competition vacancies, equals or even exceeds the percentage of posts reserved for SC candidates, it cannot be said that the reservation quota for SCs has been filled. The entire reservation quota will be intact and available in addition to those selected under open competition category. (Vide Indra Sawhney, R.K. Sabharwal v. State of Punjab, Union of India v. Virpal Singh Chauhan and Ritesh R. Sah v. Dr. Y.L. Yamul.) But the aforesaid principle applicable to vertical (social) reservations will not apply to horizontal (special) reservations. Whereas special reservation for women is provided within the social reservation for Scheduled Castes, the proper procedure is first to fill up the quota for Scheduled Castes in order of merit and then find out the number of candidates among them who belong to the special reservation group of "Scheduled Caste women". If the number of women in such list is equal to or more than the number of special reservation quota, then there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of Scheduled Caste women shall have to be taken by deleting the corresponding number of candidates from the bottom of the list relating to Scheduled Castes. To this extent, horizontal (special)reservation differs from vertical (social) reservation. Thus women selected on merit within the vertical reservation quota will be counted against the horizontal reservation for women." (Emphasis added)*

7. The Hon'ble Supreme Court in the case of Union of India V/s. Ramesh Ram and Others, delivered judgement on 07-05-2010 (in C.A. No.4310/4311 of 2010 arising out of SLP(C) No.13571-72 of 2008) wherein it has laid down the following principles in paragraphs No.-47 to 50 :

*"47. The proviso to Rule 16(1) and Rule 16(2) operate in different dimensions and it is untenable to argue that these provisions are contradictory or inconsistent with each other. As mentioned earlier, in the examination for the year 2005-32 reserved candidates (31 OBC candidates and 1 SC candidate) qualified as per the general qualifying standard [Rule 16(1)]. These MRC candidates did not avail of any of other concessions and relaxations in the eligibility criteria at any stage of examination, and further they secured enough marks to place them above the general qualifying standard. MRC candidates are entitled to one of the two posts one depending on their performance in the General list and other depending on their position in the Reserved List. When MRC candidates are put in the General list on their own merit they do not automatically relinquish their reserved status. By the operation of Rule 16(2), the reserved status of an MRC candidate is protected so that his/her better performance does not deny such candidate the chance to be allotted to a more preferred service. Where, however, an MRC is able to obtain his preferred post by virtue of his/her ranking in the General list, he/she is not counted as a Reserved Candidate and is certainly not counted amongst the respective reservation quota.*

48. *We must also remember that affirmative action measures should be scrutinized as per the standard of proportionality. This means that the criteria for any form of differential treatment should bear a rational correlation with a legitimate governmental objective. In this case a distinction has been made between Meritorious Reserved Category candidates and relatively lower ranked Reserved Category candidates. The amended Rule 16(2) only seeks to recognize the inter-se merit between these two classes of candidates for the purpose of allocation to the various civil services with due regard for the preferences indicated by the candidates.*

49. *With regard to the specific characteristics of the UPSC Examinations we hold that Reserved Category candidates (belonging to OBC, SC or ST categories among others) who are selected on merit and placed in the list of general/unreserved category candidates can choose to migrate to the respective reserved categories at the time of allocation of services. Such migration is enabled by Rule 16(2) of the Civil Services Examination Rules, which is not inconsistent with Rule 16(1) of the same or even the content of Articles 14, 16(4) and 335 of the Constitution of India.*

50. *We sum up our answers:*

- i) *MRC candidates who avail the benefit of Rule 16(2) and adjusted in the reserved category should be counted as part of the reserved pool for the purpose of computing the aggregate reservation quotas. The seats vacated by MRC candidates in the General Pool will be offered to General category candidates.*
- ii) *By operation of Rule 16(2), the reserved status of an MRC candidate is protected so that his/her better performance does not deny him of the chance to be allotted to a more preferred service.*
- iii) *The amended Rule 16(2) only seeks to recognize the inter se merit between two classes of candidates i.e. a) meritorious reserved category candidates, b) relatively lower ranked reserve category candidates, for the purpose of allocation to the various Civil Services with due regard for the preferences indicated by them.*
- iv) *The reserved category candidates "belonging to OBC, SC/ST categories" who are selected on merit and placed in the list of General/Unreserved category candidates can choose to migrate to the respective reserved category at the time of allocation of services. Such migration as envisaged by Rule 16(2) is not inconsistent with Rule 16(1) or Article: 14, 16(4) and 335 of the Constitution."*

8. The Commission thereafter received a letter from G.A.D. on 20-01-2011, *inter-alia*, requesting the Commission to consider the question of reviewing the result declared by the Commission on 13-05-2010, in the light of the recent judgements delivered by the Hon'ble Supreme Court, as referred in Paras No.4, 5, 6 and 7 above.

9. After perusal of the G.A.D.'s letter, the matter was discussed and re-examined by the Commission. The commission considered the provisions of the Gujarat Civil Services (Class-I and Class-II) Competitive Examination Rules, 2000, as well as the principles laid down by the Hon'ble Supreme Court in the above-referred judgements and also sought legal advice, whereby it was felt that the ratio laid down by the Hon'ble Supreme Court in the above-referred judgements will have to be followed even by making necessary modifications in the result already published by the Gujarat Public Service Commission on 13-05-2010.

10. In view of the above referred judgements of the Hon'ble Supreme Court, the settled legal position appears to be that the women reservation is interlocutory within each category (SC/ST/SEBC/GENERAL) and the same is horizontal (Special) reservation, and not vertical (Social) reservation and that therefore, the women candidates selected as merit candidates will count towards women reservation quota for each category (i.e. SC/ST/SEBC/GENERAL). Under the circumstances, where a horizontal (Special) reservation is provided for women within each category SC/ST/SEBC/GENERAL, the proper procedure is first to fill up the quota for each category (SC/ST/SEBC/GENERAL) in order of merit and then find out the number of candidates among them who belong to the Special reservation group of "SC/ST/SEBC/GENERAL - Women". If the Women in such list are equal to or more than the number of special reservation quota, then in that case, there is no need for further selection towards the special reservation quota. Only if there is any shortfall, the requisite number of "SC/ST/SEBC/GENERAL - Women" shall have to be taken by deleting the corresponding number of candidates from the bottom of the list of SC/ST/SEBC/GENERAL candidates. To this extent, horizontal (Special) reservation differs from Vertical (Social) reservation. Thus, Women selected on merit within SC/ST/SEBC/GENERAL quota will be counted against the horizontal reservation for women.

11. As per the Apex Court's judgement in Union of India V/s. Ramesh Ram and Others, decided on 07-05-2010, Meritorious Reserved Category Candidates (MRC), who have availed any of the benefits/relaxations available to a Reserved Category Candidate, should be counted as part of the reserved pool for the purpose of computing the aggregate reservation quota. However, the MRC candidates who have not availed any of the benefits/relaxations available to a Reserved Category Candidate at any stage of the examination process, will have to be considered as a Reserved Category Candidate, if he gets a more preferred service/post because of his being treated as a Reserved Category Candidate. In that eventuality, the reserved candidates in the bottom of the Merit List will proportionately reduce and such vacancies will go to the general pool and the seats vacated by MRC candidates on the general pool will be offered to general category candidates. Thus, the reserved status of an MRC candidate is protected so that his/her better performance does not deny him the chance to be allotted to a more preferred service.

12. Looking to the aforesaid peculiar and special facts and circumstances, the Commission decided to review the result declared by it on 13-05-2010 vide Notification No.CCE-2006-5548-EX read with the Corrigendum issued vide Notification No.CCS-2006-5548-EX dated:13-05-2010. Accordingly, the result declared on 13-05-2010 is to be treated as cancelled ab-initio, and the Revised Result is now declared as per the ANNEXURE-I annexed to this Notification.

13. It needs to be clarified that the result of the examination under reference given in the ANNEXURE-I has been prepared by strictly applying the ratio laid down by the Apex Court in the cases of (i) Public Service Commission, Uttaranchal V/s. Mamta Bist and Others - Civil Appeal Nos. 5987 of 2007, with Civil Appeal No.5982 of 2007 decided on 03-06-2010. and (ii) Union of India V/s. Ramesh Ram and Others - Civil Appeal Nos. 4310, 4311 of 2010 (arising out of SLP(C) Nos.13571-72 of 2008) decided on 07-05-2010.

What processes have been gone through while doing so, has been mentioned in the ANNEXURE-II to Annexures IV - (A) to (D), annexed to this Notification.

In so far as ANNEXURE-II, ANNEXURE-II(A) and ANNEXURE-II(B) are concerned, they indicate the position emerging on applying the ratio laid down in the Apex Court's judgement in case of Public Service Commission, Uttaranchal V/s. Mamta Bist and Others, Civil Appeal No.5987 of 2007, with Civil Appeal No.5982 of 2007 decided on 03-06-2010.

The Annexures-III(A), III(B), IV and IV (A) to (D) mainly relate to the MRC candidates as defined in the Apex Court's judgement in the case of Union of India V/s. Ramesh Ram and Others Civil Appeal Nos.4310, 4311 of 2010 (arising out of SLP(C) Nos.13571-72 of 2008) decided on 07-05-2010. With a view to ensuring that the MRC candidates get the "More Preferred Posts", the Merit List has been recast in more than one steps (in Annexure III(A), III(B), IV and IV(A) to (D)) till all the MRC candidates are offered "More Preferred Posts" and the R.C. candidates (at the bottom of the list) are proportionately reduced to make way for the equal no. of General Category Candidates.

The details of what Annexure-II, Annexures-II(A), II(B), III(A), III(B), IV and IV(A) to (D) contain are given below :-

Ramesh Ram and Others - Civil Appeal Nos.4310, 4311 of 2010 [arising out of SLP(C) Nos.13571-72 of 2008] is made applicable, certain General Category candidates will come into the Merit List in place of the RC candidates who go out of the Merit List during the process of offering "More Preferred Posts" to the MRC candidates. To obtain the required number of such General Category candidates, it becomes necessary to go further down in the List. The "Extended Merit List" from which the required number of General Category candidates (the Precise No. is 17) have been obtained is annexed as ANNEXURE-IV. **: APPLICATION UNDER SEC. 10 & 13 OF THE PROVINCIAL INSOLVENCY ACT :**

**: JUDGMENT (Order) :**

1. The debtor- applicant no. 1 Mukeshkumar Amrutlal Kansara and his wife Meenaben Mukeshkumar Kansara have filed this petition under sec. 10 and 13 of the Provincial Insolvency Act ( for the sake of convenience, hereinafter referred to as the "Act") for declaring him as insolvent under the above mentioned Act.

2. For convenience Mukeshkumar Amrutlal Kansara is described as applicant no.1 who is doing business in the name and style of "M. K. Engineering works and National Industries ". Both

the above mentioned firm are his sole proprietary firm. Smt. Meena Mukeshkumar Kansara is described as applicant no.2. She has filed this petition as a partner of the Partnership firm named M/s. Ashiv Electro Industrial Products. She has presented this petition for declaring partnership firm as insolvent. Both applicants no. 1 and 2 are husband and wife but they are doing business separately as mentioned above. The applicant no. 1 is doing work of Leth cutting and polished job work by the labourers and it is only his source of income. Except this he has no other source of income and from the income of the above mentioned business, he is maintaining his family and bearing social expenses. It is alleged that though he was doing sincerely hard work, in his business yet due to economic crisis he does not come in sound economic condition. As a result of it, day to day his debt has increased. Further it is alleged that many creditors have filed Civil suit against them and thereby also many decree passed against applicants in many suits and some of the creditors have filed Darkhast to recover the amount of such decree. The applicants have also attached list Sch-" A" showing the list of creditors , their address and debt amount. The total debt amount has reached up to Rs. 11,39,639=46ps plus interest as per the rate mentioned in the decree. The applicant no.1 has also shown the list of his debtors which is attached as Sch-"B" which amount to Rs.35,000/- out of which some amount is time barred which cannot be recovered. It appears from the record that by virtue of the order passed below Ex. 99 out of five debtors name mentioned in Sch. B name vide Sr. No. 1 to 4 has been deleted. The applicants never filed any application anywhere before the present application and the present application is their first application. The applicants are unable to pay their debt from their property as shown in Sch "C" and thereby the applicants are unable to pay all their debts to the creditors. The applicants have mentioned approximate value of Rs.5000/- of the property mentioned in Sch."C". Further it is mentioned that in the said property, they have undivided 1/12<sup>th</sup> share in the said property .The said property is ancestral property and running in the joint name of applicant no. 1, his brother, uncle and cousins. The applicants are also ready and willing to declare other properties before the court if such will be found. The applicants have debt for more than Rs.500. Three different suits had been filled bearing No. 28/92, 29/92 and 119/98 against applicant no.1 for recovery of amount of Rs. 58033/-, 45,118/- and Rs. 1,13,919/-respectively. The said suits has been decreed against applicant no.1. Out of three decrees, Punjab National Bank has filed one Spl. Darkhast no.25/91 for recovery of the decretal amount found due from the applicant no. 1. Moreover, Bank of India Navsari branch has also filed one suit against applicant no.2 and her partnership firm M/s. Aashiv Electro Industrial Products for recovery of the dues. The said suit had been decreed on 30.3.96 for Rs.3,17,059=26ps along with 13.5% interest. Dena Bank, Junathana branch Navsari has also filed a Sp.Civil suit no.32 of 95 against the applicant no. 1 who is owner of National Industries. In that suit, on 8.10.99 decree for Rs.70,000 has been passed. Spl. Darkhast no. 25/99 is preferred by Punjab National Bank for the execution of the decree passed in Spl.CS.No. 29/92. That darkhast is pending before Civil Court Navsari. IN the said darkhast attachment warrant was issued but no movable property was available during the execution of warrant. As per the facts and particulars shown in Sch."A" the applicants are unable to pay the debts to their creditors and said amount cannot be paid even from the amount which is due to the applicants from their debtors. The applicants have never transferred any property which they belong. So the applicants never tried to avoid to pay their debts to their creditors. As the applicants are doing misc. labour work and as their income does not come within the purview of taxable income, applicants are not keeping and maintaining any Books of account. The cause of action has arisen to file this application as pleaded in para 10 of the application. This court has jurisdiction to hear the application as pleaded in this application. The applicants have asked for the relief as pleaded in para 15(1) of this application to declare them as insolvent and also asked for the appropriate relief as pleaded in para 15(2) of the application.

3. In response to the public notice issued vide Ex. 10 by the court in the newspaper the creditors- Punjab National Bank, Dena Bank and Bank of India, appeared through their advocate. Out of them, for Dena bank and Punjab National bank has filed their objections vide Ex.13 and 19. The main contention raised there is this that the applicant no.1 is doing business in the name and style of "National Industries". It is contended on behalf of Dena Bank that one Spl. Civil suit no.32/95 had also been filed wherein decree has been passed against applicant no.1. It is contended that the said decretal amount can be recovered from the machineries of the applicant no.1 which was hypothecated with it. It is also contended that as the decree has been passed before these applicants have preferred this petition, they have first priority to recover the amount from the movable and immovable properties of the applicants. It is also alleged that the applicants have sufficient property for payment of their dues but as the applicant has preferred with malafide intention of damaging the creditors this application requires to be dismissed. Punjab National Bank has also opposed this application and stated that they have also right to recover their dues from the property of the applicant no.1 which are hypothecated with him and as the applicants have sufficient means to pay their dues, this application deserves to be dismissed.

4. The applicants' side has produced following evidence in support of their petition:-

#### ORAL EVIDENCE

Ex. 116 Deposition on oath under 0.18 R.4 of C.P.C. of applicant no. 1. Applicant no.2- Meenaben has not given any oral evidence.

5. The applicants side has produced following documentary evidence

- Vide Ex.113 True copy of extract of property card of S. No.34-B dt.12.9.97, Ex.114 true copy of decree passed in Spl. C. suit no.29/92 dt.27.10.99, Ex.115 true copy of plaint in Spl. Civil suit no.28/92 dt.2.8.97, Ex.123 True copy of decree passed in Spl. Civil suit no.243/93 dt.27.10.99. Ex.119 Copy of decree passed in Spl.Civil suit no. 122/90 dt.2.8.97, Ex.120 -Ex.30 Copy of decree passed in Spl.C.S.NO.32/95, Ex.10 Public notice dt.13.12.99, Ex.129 applicants closing pursis given by applicant no.1 and Ex.135 written arguments of the applicants.

6. It has come to the notice of the court that the issues have not been framed in this matter. Hence at the time of arguments, parties passed a pursis declaring that necessary relevant issues may be framed at the time of delivering the Judgment. Hence, following issues are arisen for the determination of the application :-

- (1) Whether applicant no.1- Mukeshkumar Amrutlal kansara proves that he has no source of income except the firm namely M.K. Engineering works and National Industries ?
- (2) Whether the applicants prove that he is indebted for more than RS. 500/- and his creditors have filed suits and got decree against him ?
- (3) Whether the applicant no. 1 proves that he is unable to clear his debt ?
- (4) Whether the creditors prove that the applicants are doing business ?
- (5) Whether the application of applicant no.2 is valid, legal and acceptable ?
- (6) Whether the applicants are entitled to be declared as insolvent ?
- (7) What Order & decree ?

7. My findings on the above issues are as under-

- (1) In the affirmative.
- (2) In the affirmative.
- (3) In the affirmative.
- (4) In the negative.

- (5) In the negative.
- (6) In affirmative in respect of applicant no.1 Mukeshkumar and in the negative in respect of applicant no.2- Meenaben Mukeshkumar Kansara.
- (7) As per final order.

#### REASONS.

8. Heard Shri D. H. Desai, L. A. for the applicants side and considered the written arguments advanced by him vide Ex.135. Heard Shri S.S.Sule, L.A.for the Creditors side .He has only submitted that the applicants are willfull defaulter and they have sold out all the hypothecated property with a view to defeat the aim of the recovery amount for the execution of the decree. On behalf of other creditors, Shri P. R. Desai, has only submitted that the property mentioned in Sch.'C is of the ownership of applicant no. 1. Further he argued that the applicant no.1 has not proved that he has 1/12<sup>th</sup> share in the property. So, according to him, as the applicants have sufficient property for payment of their debt, their petition for insolvency cannot be accepted.

#### ISSUE NO. 1.

9. The applicant no.1 Mukeshkumar Amrutlal Kansara comes with a case that he is doing business as described under the heading, of Sr. No. 1,2 and 4 meaning thereby applicant no. 1 is doing business under the heading of "M/s M. K. Engineering works and National Industries". Except this, he is not carrying on any business under any name. In order to prove this issue, applicant no.1 has deposed on oath in para 2 vide Ex.116, that he is doing business in the name of M/s. M. K. Engineering works and under the name of National Industries and from the income of this business he is maintaining his family and performing his social duties! Except this, he has no source of income In the cross examination of this witness, creditors side has cross examined this witness and during cross examination, he has confirmed that he is doing business in the name of M/s M. K. Engineering works and National Industries and he has also confirmed that both the above mentioned firms are his sole proprietary firm. Further it has come out that at present he is doing business of Leth Machine but he has denied hat he is earning good income from it. This evidence itself not sufficient that the applicant no. 1 is earning sufficient income for payment of his debt. Thus looking to these evidence, it is clearly established that there is no source of income for the applicant, no.1 for payment of the debt except the above mentioned two firms. The creditors side has not led any positive evidence which goes to show and establish that beyond this firm applicant no.1 is doing any other business and earning sufficient income for payment of his debt. They have also not led any evidence under which name and what kind of business is carried out by the applicant no.1 .So, in these circumstances, there is no reason to disbelieve the oral evidence of the applicant no.1 on this point. Therefore, in the above circumstances I come to the conclusion that it is proved by applicant no.1 that he has no source of income except the above mentioned two firms. Therefore I decide this issue in affirmative.

#### ISSUE NO.2.

10. In order to prove this issue, the applicant no.1 in his deposition vide Ex. 116 specifically stated that Bank of India, Punjab National Bank, Dena Bank and Central Bank has filed the suit against him and in both the suits, decree has been passed against him. His oral evidence has been challenged in the cross examination by creditors side. During the cross examination, it has come out that one of the creditor Naupad Leasing and Investment Trust has filed suit against him vide Civil suit no.243/93 .That suit was decreed for the amount of Rs.27,572-95ps along with interest. The copy of said decree is produced vide Ex.123. Further during cross examination it has come out that Dena Bank, Punjab National Bank, Bank of India and Central Bank has also filed suit against him and all the suits has been decreed before filing of this petition. The copy of decree has been produced vide Ex.114,115 and 120. Thus, during the cross examination, it has come out that number of suits has been filed against applicant no.1 by different banks. Considering the decretal amount it seems hat applicant no.1 is indebted for lakhs of rupees meaning thereby he is indebted

for more than Rs.500/-. Thus during the cross examination, no contrary evidence or facts has come out which falsify the case of the applicant no.1. Thus as oral evidence of applicant no.1 is supported by the above mentioned documentary evidence, there is no reason to discard his oral evidence and considering the whole cross examination, I come to the conclusion that it is proved by the applicant no.1 that he is indebted for more than Rs,500/- and as creditor has filed number of suits, which are decreed against the applicant no.1. Therefore I decide this issue in affirmative.

#### ISSUE NO. 3.

11. In order to prove this issue, the applicant no.1 has deposed in para 3 of his deposition that, due to weak economic condition, he is not able to pay any dues of his creditors and he has also deposed that he has no sufficient means from which he can pay his dues; This oral evidence has been challenged in the cross examination by the creditors side. But during the cross examination, only fact has come out that at present he is doing Leth work, but he has denied that from that business, he is earning good income which is sufficient for payment of his dues. It has also come out that except property mentioned in Sch."C" he has no other properties from which he can pay his dues to the creditors. On the contrary it has come out that the property mentioned in Sch.C is joint ownership property. Thus the facts come out during the cross examination also does not show and establish that the applicant no.1 is able to clear his dues. The creditor side has not led any positive evidence regarding the income of applicant No.1. Not only this, they have also not asked any suggestive question which shows the income of the applicant no.1. So, in absence of this evidence, it cannot be said that the applicant no.1 is able to clear his debt. The evidence of applicant no.1 on the point of inability to clear his debt seems to be genuine and acceptable. Therefore in the above stated circumstances, I come to the conclusion that the applicant no.1 has proved that he is unable to clear his debt. Hence, I decide this issue in the affirmative.

#### ISSUE NO. 4 :

12. The burden of this issue is on the creditors side. The creditor side has not led any positive evidence to establish that the applicant no.1 is doing business and earning good income from that business. Even they have also not cared to lead any evidence regarding the kind of business carried out by the applicants and regarding the name under which he has carried out the business. If the applicant is really doing business, then creditor must have asked certain questions to that effect. But that has not happened. So, in absence of positive evidence there is no hesitation in my mind to come to the conclusion that the creditors failed to prove that the applicant no.1 is doing business. Therefore, I decide this issue in negative.

#### ISSUE NO. 5 :

13. Here looking to the petition, it seems that two persons namely Mukeshkumar and Meenaben has filed this insolvency petition for declaring themselves as insolvent. Here it is an admitted position that Mukeshbhai and applicant no.2 Meenaben who is described at Sr.No.3 as partner of Aashiv Electro Industrial Products, are husband and wife. There is no iota of evidence on record that both husband and wife are connected in respect of the debt arisen against their name. Whenever any person seeks to declare himself as indigent, then in that circumstances, they must be connected and liable in respect of the debt arisen against their name. But here that has not happened. Therefore it cannot be said that applicant no.2 Meenaben is liable for the debt mentioned by the applicant no. 1. Further from the perusal of para 10 of the (petition Exh.1 it is stated that as creditors have filed Spl. Darkhas no.25/99 against him, for recovery of the decretal amount the cause of action was arisen to the applicant no. 1. If we consider this fact it is clearly seen that said darkhast has been filed for the execution of the decree passed in Spl. Civil suit no. 29/92. Copy of said decree is produced at Ex.114. From the perusal of Ex.114 it is seen that decree has been passed against applicant no.1 and his proprietary firm meaning thereby that decree has not been passed against applicant no.2 Meenaben who is wife of applicant no.1. So, it can be said that on the basis of this darkhast no cause of action has ever been arisen for the applicant no.2 to file this petition. Decree passed against applicant no.2 was in Civil suit no. 122/90. Copy of said decree is produced

vide Ex.119. From the perusal of this decree Ex.119, it is seen that the decree has been passed against applicant no.2 in Civil suit no. 122/90 . There is no evidence on record which shows that the creditor of that decree has filed any Darkhast against applicant no.2. Unless the creditor has preferred any darkhast for execution of the decree it cannot be said that any cause of action has ever arisen to the applicant no.2. So, in these circumstances, it can be said that no cause of action has arisen for applicant no.2 to file this insolvency petition. Thus when cause of action has not arisen to applicant No.2, it cannot be said that her insolvency petition is legal and valid. Beyond this, it is an admitted position that the applicant no.2 is one of the partner of M./s Aashiv Electro Industrial Products which is a partnership firm. If the partnership is indebted for more than Rs.500 and not in a position right to file a petition. Here admittedly the partnership firm of whose applicant no.2 is a partner has not filed this petition. So, in absence of consent of other partners of the firm, it cannot be said that it is a legal and valid petition filed by the applicant no.2. In the eye of law partnership firm has legal entity meaning thereby partnership firm is legal person and other partners has right to present this type of application in the name of partnership firm and that petition should be filed and signed by all the partners. But this has not happened. During cross examination of applicant no.1, he admitted that his wife i.e. applicant no.2 has not obtained any power of attorney from other partners of the firm for filing this petition. So, all these circumstances and evidence shows and establish that there is no cause of action on the part of applicant no.2. Further petition is also not filed by the partnership firm of whose applicant no.2 is partner. Therefore, it cannot be said that this insolvency petition preferred by applicant no.2 is valid, legal and acceptable. Further as per legal provision as mentioned u/sec.13 whenever any debtor prefers this type of application, ii this circumstances, he/she is supposed to give the name of creditor as well as the name of debtors and description of property; cannot be said that applicant no.2 has legally filed this petition. Therefore I come to the conclusion that the present application in respect of applicant no.2 is not legal, valid and acceptable. As per the mandatory provision Sec.22 of the Act, that applicant is supposed to give evidence in support of his case and to prove contents of her application. Here unfortunately, applicant no.2 has not given any evidence in support of her case as well as for the justification of her petition. So, in absence of any kind of evidence on behalf of applicant no.2 it cannot be said that there is any substance in her case. Hence I decide this issue in the negative.

#### ISSUE NO. 6 :

14. Under this issue, considering the provisions of Sec.10 of the Insolvency Act, two conditions are required to be proved namely (1) debtor is unable to pay his debt and his debt amount is more than Rs. 500/-. Looking to the decision taken in the above issues, it is clearly shown by the applicant no.1 that he is unable to pay his debt and his debt is more than Rs.500/-. Thus, two conditions required for granting insolvency petition is proved in respect of applicant no.1. But as per the discussion made and decision taken in the above Issues, in respect of applicant no.2, it is found that this insolvency petition, in respect of applicant no.2 is not legal and valid and according to law. Hence applicant no.2 is not entitled to get any relief asked by her. Therefore I come to the conclusion that the applicant no.1 is entitled to be declared as insolvent. Hence, this part of the issue is decided in affirmative. But in respect of applicant no.2, as her petition is not found legal and valid and according to law, she is not entitled to be declared as insolvent. Therefore, this part of issue is decided in the negative.

#### ISSUE NO. 7 :

14. Considering the findings of the above issues, it is found that the applicant no.1 is entitled to be declared as insolvent, while the applicant no.2 is not found entitled to be declared as Insolvent. On the contrary it is found that the application of applicant no.2 is neither legal , valid nor in accordance with law. Hence, the application deserves to be partly allowed in respect of applicant no. 1 and deserves to be dismissed in respect of applicant no.2 Meenaben. Hence, order is passed in terms of this issue no.7 as under-

**ORDER**

(1) It is hereby ordered that the debtor applicant no.1 Mukeshkumar Amrutlal Kansara residing at: 1/171, J. K. (2) It is hereby ordered that the applicant no.1 to deposit Rs 3000 in the first instance towards cost and expenses which may be incurred by the Receiver in making inventory. This amount is to be deposited within 15 days from the date of this order.

(3) It is also ordered that the Notice of adjudication order shall be duly published in the Govt. Official Gazette as required by Sec.30 of the Provincial Insolvency Act stating the name, address and description of the insolvent.

It is further-stated that they have not transferee! any movable or immovable property with a view to defeat their creditors. According to them, cause of action has arisen to file this application, as pleaded in para 9 of the application. This court has jurisdiction to hear the application as per pleadings made in this application. The applicants have never tried to avoid to pay their debts to their creditors. On the basis of above allegations, the applicants have asked for the relief as prayed to grant relief as mentioned in sub para 1 to 3 of para 13 of application

and seek declaration of their insolvency and also asked for other appropriate relief as prayed in the application.

3. In response to the public notice issued vide Ex.6 by the court in daily newspaper the creditors- Central bank of India, Navsari branch, Bank of India, Navsari Branch and Dena Bank Navsari Br. appeared through their advocate. Out of them, creditor Punjab National Bank and Bank of India have filed their objections vide Ex.40 and 44. The creditor Punjab National Bank has mainly contended that the facts mentioned in the application are not true. Hence not admitted. It is also contended that no cause of action has arisen to the applicant to file this application. It is also contended that the applicant has no right to file such type of application. It is stated that the applicants have taken advances from the Nationalized bank in their personal capacity and in capacity of partner of the firm. But with malafide intention to prevent their creditors from recovering the amount, the present application is filed. Hence according to him it is not tenable. It is also contended that the present application is premature. On the basis of these facts, they prayed for dismissal of the application. The creditor Bank of India has objected this application by filing reply vide Ex.44 wherein they have also raised similar contention as raised by the above creditors. They come with a case that decree has been passed against applicant in Sp. Civil suit no. 120/90 filed by them. So, according to them as decree has been passed before the application is preferred, they have priority to recover their debt from the property of applicants. It is stated that the applicants have many movable and immovable property and they are also earning from the business but with a view to escape from their liability arisen on the decree, the present application is filed which is according to him malafide. So, they prayed for the dismissal of the application.

4. The applicants' side has produced the following evidence in support of their application :-

5. It has come to the notice of the court that the issues have not been framed in this matter/ Hence, at the time of arguments, parties passed a pursis declaring that necessary relevant issues may be framed at the time of delivering the Judgment. 6. My findings on the above issues are as under-

- (1) In the affirmative.
- (2) In the affirmative.
- (3) In the affirmative.
- (4) In the negative.
- (5) In the negative.
- (6) Affirmative in respect of applicant no.1 and negative in respect of applicant no.2.
- (7) As per final order.

#### REASONS.

7. Heard Mr.D.H.Desai, Ld advocate for the applicants and Shri H.M.Vashi, Shri S.S.SULE, & Shri S.K.Desai for the Creditors.

#### ISSUE NO.1 :-

8. In order to prove this issue, the applicant no.1 deposed vide Ex.93 that he is carrying on business in the name and style of R.K.Industrial products and R.K.Enterprise in rented premises. The possession of rented premises has been taken by landlord under execution of the decree and they have also taken possession of machinery of their business and thereafter he is not doing any business. During the cross examination, it has come out that he was doing business of spare- parts of textile machinery. But since 1992, his business has been closed. It is denied that the place wherein he is doing business was his ownership property. It is also denied that from the good will of the business he has earned money. It has also come out during the cross examination that in the year 2004, he met with an accident and he received fracture injuries and his two legs from the bottom up to knee had been cut off. It has also come out that up to 2003 his position was good but thereafter his economic condition became weak. It has also come out that the education expenses of his daughter has not been carried out by him. It is denied that his wife is doing business and was receiving good income. It is denied that he is possessing well furnished property. It has also come out that due to failure in payment of rent, the landlord has taken possession from him. Thus looking to the evidence it is seen that prior to this application, he was doing business in the name and style as mentioned in the title of the application. It has also come out that his business has been closed and he met with an accident and as result of it injuries received in the said accident and his two legs were cut off. It has not come out from the cross examination that he has any source of income from which he can pay the debt to his creditors. The creditors side has not produced any positive evidence which goes to show that the present applicant no.1 is doing business and has earned from it. So, in these circumstances, relying on the evidence I come to the conclusion that it is proved by the applicant no.1 that he has no source of income. It is also proved that the business carried out by him in different names have been closed. It is also proved that after the accident in year 2004, he is not doing any business. Therefore, I come to the conclusion that the applicant no.1 has successfully proved this issue. Hence, I decide it in the affirmative.

**ISSUE NO.2:-**

9. Under this issue court has to decide whether the applicant no.1 is indebted for more than Rs.500/- and creditors filed suit and got a decree against him. In order to prove the said facts, applicant no.1 has given full details in para 4 of his deposition Ex.93. The said facts has not been falsified by the creditor side during cross examination. Not only this, but supported by documentary evidence Ex.96 to 101 which are copies of the decree passed against applicant no.1 in different suits preferred by the creditors. Thus as oral evidence is supported by documentary evidence, there is no reason to disbelieve the oral evidence of applicant no.1. So, looking to the oral and documentary evidence of applicant no.1, I come to the conclusion that it is proved by applicant no.1 that he is indebted for more than Rs.500/- Further, it is also proved that his creditors filed suit and got decree against him. Therefore I decide this issue in affirmative.

**ISSUE NO.3:-**

10. In order to prove this issue, applicant no.1 has deposed that number of creditors has filed suit against him which are decreed by the court and he has no source of income to pay his debt to the creditors. Further he also deposed that due to flood calamity his Books of account and other record of business has been destroyed and goods and machinery had also been destroyed. Further he deposed that he has taken insurance for the safety of his goods but the Insurance company has not paid any amount to him. Further he also deposed that due to illness of his wife he has incurred huge expenses for her treatment and he has also no other source of income. During cross examination no contrary facts has come out therefore there is no reason to discard his oral evidence. Further P.W.No.2 Dr. Ganatra has deposed in his deposition that applicant no.1 met with an accident on 1/10/04 and he was admitted in the hospital and he gave treatment of the injuries received to him and as a result of said injuries, he suffered many fractures on different parts of his body and his two legs were cut off and artificial legs were joint in place of original and he also deposed that due to accident, applicant no.1 has received permanent disability. During cross examination of this witness, no contrary facts has come out. Beyond this, Ex.115 to Ex.117 which are the copies of medical certificates issued by him is also supporting his oral evidence. Thus, the witness of applicant no.1 has fully supported the case of the applicant no.1. So, in these circumstances, when deposition of applicant no.1 is supported by an independent witness, who gave treatment to him, proved beyond doubt that the applicant no.1 is not in a position to do any business. Therefore, I fully agree with the case of applicant no.1 that it is proved by applicant no.1 that he is unable to earn hence, he is not in a position to clear his debt. Therefore I decide this issue in the affirmative.

**ISSUE NO.4:-**

11. The creditors have opposed the case of the applicant No.1. But in order to prove their oppose, they are not able to adduce single iota of evidence which goes to show that the applicant no.1 is doing business and earns anything from that business. If the applicant no.1 is really doing business and earns something from it, the creditors must have produced evidence pertaining to this fact. But unfortunately, they have not produced any evidence which goes to show that the applicant no.1 is doing business. So, in absence of this material evidence it cannot be accepted that the applicant no.1 is doing business. Therefore, in the above circumstances, I come to the conclusion that it is not proved by the creditors that the applicant no.1 is doing business and earns anything from that business. Therefore I decide this issue in the negative.

**ISSUE NO.5:-**

12. This petition have been jointly preferred by husband and wife who are described in this Judgment as applicants No.1 and 2 the applicants carry out different business under different name and style and in different capacity. The applicants are not connected with each other in respect of the debt described in the petition, meaning thereby the debt is separate of each applicants. The burden of this issue is on the applicant no.2 Smt. Leena Rajesh Kansara. If she wants to succeed in this issue, then she is supposed to prove the legal requirements described under sec. 10 and 13. The substance of main dispute raised by creditor side is this that, the application in respect of applicant no.2 Smt. Leena Rajesh Kansara is neither legal, valid and acceptable. According to me, for the following reasons, the application of applicant no.2 is not acceptable:-

(A) Under-sec.10 a right to file such application is given to debtor or creditor Here admittedly, this application is filed by the debtor. In order to decide whether applicant no.2 is a debtor or not for that purpose

I consider the application Ex.1. From the perusal of this application, it is seen that the applicant no.2 has not described herself as a partner of the partnership firm Aashiv Electro Products. From the cross examination of the applicant no.1 it has come out that his wife Leenaben is partner in Partnership firm named Aashiv-Electro products. It has also come out that the other partners have not signed this application. It has also come out that the other partners have not consented to the signatory partner nor given any power of attorney to file this application on behalf of the firm. Thus it is clear that the applicant no.2 who has signed the petition, is one of the partner of the partnership firm. She has not signed as partner of the partnership firm. So it can be said that the signature made by applicant No.2 is not signed on behalf of the partnership firm. If the partnership firm is a debtor than under sec. 10 it has right to file this application. But as discussed above, as Partnership firm has not filed this petition, it cannot be said that the petition on behalf of the applicant no.2 is legally filed. So, I hold that as this application is not filed by Partnership firm or not filed by the authorized person, it cannot be said that it is legal petition under sec. 10 of the Act. So for this reason the application preferred by applicant no.2 is not legal and valid.

(B) The another requirement for valid petition under this section is this that the debtor must have debt for more than Rs.500/-. As per case of applicant no.2, if the partnership firm is indebted for more than Rs.500=00 then she must have proved this fact. Here from the perusal of the record it appears that she has produced copy of the decree passed against firm. But that has not been exhibited. Thus, when the document is not exhibited, Court cannot take into consideration. Except this, there is no other documentary evidence produced by applicant no.2 which goes to show that the firm is indebted for more than Rs.500/-. So, in absence of this material evidence it cannot be said that the requirement under sec. 10 is fulfilled by applicant no.2 meaning thereby, applicant no.2 fails to prove that the firm is indebted for more than Rs.500/-. Thus when this condition is not fulfilled it cannot be said that the application preferred by applicant no.2 is valid and legal.

(C) The present application is filed by applicant no.2. But from the evidence it is seen that other partners of the firm has not authorized her to declare the firm as insolvent. According to law, if a partner wants to declare the firm insolvent, then it must have been signed either by all of the partners or by one partner with the authority of others. But that is not happened. So, in these circumstances, I hold that this application is not presented by authorized person or better person. Therefore it is not acceptable.

(D) For the validity of petition u/sec.10 the debtor is supposed to fulfill the requirements described under sec. 13 of the Act In sub clause (1) of Sec. 13 it is mandatory for the debtor to make statement that debtor is unable to pay the debt. That statement is not filed by the applicant no.2 on behalf of the partnership firm. Thus this requirement is also found lacking. Beyond this, under sub clause (d) of Clause I of sec. 13, the debtor is supposed to give particulars of his creditor and name and residence of the creditor. From the record, it appears that these particulars are also not given by the applicant no.2. So, it can be said that the provision of this sub clause is also not fulfilled. Further, in sub clause (c) of clause I of this section, the debtor is supposed to give particulars regarding the property along with the value of the property possessed by him. Here looking to the record, it is clearly seen that the applicant no.2 has not given any particulars required under this sub clause. So, it can be said that the mandatory requirement prescribed under sec. 13 as mentioned above are not fulfilled. Therefore, this application being not accustomed with the law, it is not legal. For this reason also it is not acceptable.

(E) Under the provision of sec.24 every debtor is supposed to give evidence on oath to prove and justify his petition. Here unfortunately, the applicant no.2 has not given any deposition on oath for the justification of her petition. Thus in absence of this material evidence it can be said that the mandatory requirement under sec.24 is also not fulfilled by the applicant no.2. By not giving deposition by applicant no.2, it can be held that as the applicant no.2 has not fulfilled this requirement, for this reason also the application of the applicant no.2 is not acceptable.

(F) Further from the perusal of Ex.1 it is clearly seen that no cause of action has been given by the applicant no.2 for filing this application. It is settled law that if cause of action is not described or given then in that circumstances, the petition cannot be said to be legal and acceptable. Here admittedly whatever cause of action described in Ex.1 i.e. pertaining to only applicant no.1, but no description regarding arising of cause of action to the applicant no.2 is pleaded by the parties. So, in these circumstances hold that as the application is without cause of action it is neither tenable nor acceptable.

For the reasons mentioned above, I come to the conclusion that as the applicant no.2 has not fulfilled the mandatory requirements, I hold that the applicant no.2 fails to prove this issue and that I hold that the application is neither legal, valid and acceptable. Therefore I decide this issue in the negative.

#### ISSUE NO.6:-

13. Under this issue, court has to decide the case in respect of applicant no.1 and applicant no.2. So far as the case applicant no.2 is concerned, as the court has held in issue no.5 that the application in respect of applicant no.2 is neither legal, valid and acceptable, in view of this finding, I hold that the applicant no.2 is not entitled to any relief in this petition. So far as applicant no.1 is concerned, for the determination of his entitlement for relief, court has to consider whether the two conditions laid down under sec.10 are fulfilled? The condition laid down under sec. 10 are (1) debtor is unable to pay his debt and (2) his debt amounts to Rs.500/-. For the determination of this question, I would like to refer the findings given on issue no.2 and 3. As the court has decided both the issues no.2 and 3 in the affirmative, I hold that the condition imposed u/sec 10 are fulfilled by the applicant no.1. Therefore, I hold that the applicant no.1 is entitled to the relief as prayed for. But so far as applicant no.2 is concerned, she is not entitled to any relief. Therefore, I decide this issue partly affirmative in respect of applicant no.1 and partly negative in respect of application no.2.

#### ISSUE NO.7:-

14. As per the discussion made and decision taken in the above issues, I hold that the application in respect of applicant no.1 is required to be allowed. While application in respect of applicant no.2 deserves to be dismissed. Therefore I pass the following final order-

#### ORDER.

- (1) It is hereby ordered that the debtor applicant no.1- Shri Rajesh Ravindra Kansara, residing at: D/3, Arvindnagar society, Navsari, is adjudged Insolvent under the Provincial Insolvency, Act and he is directed to apply for filing discharge within 3 months from the date of this order and Shri V. R. Master Advocate is hereby appointed as Receiver to take charge of the properties movable and immovable in possession of the debtor applicant no.1 immediately and to do everything needful in that behalf as required by the Act.
- (2) It is hereby ordered that the applicant no.1 to deposit Rs. 3000 in the first instance towards cost and expenses which may be incurred by the Receiver in making inventory. This amount is to be deposited within 15 days from the date of this order.
- (3) It is also ordered that the notice of adjudication order shall be duly published in the Govt, official Gazette as required by Sec.30 of the Provincial Insolvency Act stating the name, address and description of the insolvent.
- (4) Further it is hereby declared that the applicant no.2-Smt.Leena Rajesh Kansara, wife of Ramesh Ravindra Kansara who is described at Sr.No.4 in the Insolvency petition Ex.1 is hereby not adjudicated as insolvent and the petition in respect of her is hereby dismissed.
- (5) No order as to cost for this application.

Pronounced in open court today on this 16<sup>th</sup> day of April 2010.

Date : 16<sup>th</sup> April, 2010.
